Davidson County

State of Tennessee

v.

Henry Hodges

Death Penalty

M1999-00516-SCR11-PD

DAVIDSON COUNTY 90-5-1418

My name is Henry Hodges I am the defendant in the above titled action. I have no appeal and am awaiting an execution date. I am truly tired of this prison, I am tired of these guards, I am tired of this cell, and I am sincerely fed up with these dirt bag criminals I am surrounded by. I would ask this court to set me an execution date. I am done with prison life!

Respectfully

Henry Hodges

Footnote: for the last 4 or 5 months the T.D.O.C. has allowed family and friends to visit inmates and allowed religious volunteers to visit inmates.

The Governor and the State Legislature whole heartedly support unvaccinated children going to school maskless

Why cant executions be carried out? Please set me a date
