

### Affidavit Concerning Method of Execution

Under Tennessee law, you have the right to have your execution carried out by lethal injection. You also have the option of waiving this right and choosing electrocution as the method of your execution. The purpose of this affidavit is to allow you an opportunity to either waive your right to have your execution carried out by lethal injection or to decline to waive that right. Failure to complete this form will result in the execution being carried out by lethal injection. You will not be given another opportunity to waive your right to have your execution carried out by lethal injection. If you waive your right to have your execution carried out by lethal injection, you may rescind that waiver by contacting the Warden no later than 14 days prior to the date of the execution and signing a new affidavit to that effect.
