

Signing Into ZoomGov

On a Mobile Device

Although ZoomGov does not have an official application on either the App Store or Google Play, there is a work around in order to run ZoomGov on your mobile devices and make the ZoomGov option available to users, using the Zoom Mobile App. The following steps will explain that process. Please make sure the Zoom Mobile App is installed on your mobile device before beginning these steps.

 On your mobile device, open any internet browser and type in zoomgov.com and sign in to your Zoom Gov account. 	● zoomgov.com ① Sign in
