RE: Marsha Gail Owens
File #K445

Dear Sirs:

This is to verify our conversation of yesterday afternoon in which I notified you after conferring with General Stanton and the family of the deceased that the State would recommend to the Court upon a plea of guilty as charged to either count of the Indictment that a Life sentence be imposed upon your client, Marsha Gail Owens. This offer is contingent upon its acceptance by January 3, 1986 and the acceptance of a similar offer by Ms. Owens co-defendant, Sidney Porterfield, as the case is not severable.

Sincerely,

Don D. Strother
Assistant District Attorney General
