AFFIRMED PURSUANT TO RULE 20

Joe B. Jones, Presiding Judge

OPINION

The appellant, Marvin Hill, Jr., appeals as of right from a judgment of the trial court revoking his community corrections sentence. The appellant admits that he violated the conditions of his sentence. He tested positive for marijuana on two separate occasions; he failed to report to the probation officer; and he violated the curfew. In this Court, he claims that the evidence adduced at the hearing was insufficient to justify a revocation of the community corrections sentence. After a thorough review of the record, the briefs submitted by the parties, and the law that controls the issue presented for review, it is the opinion of this Court that the judgment of the trial court should be affirmed pursuant to Rule 20, Tennessee Court of Criminal Appeals.
